Subj: Withdrawal from Nomination Slate

To: Richard Zappelli, and

Board, Willow Glen Neighborhood Association

From: Nancy Ianni

Subject: Report of Nominating Committee meeting, April 25, 2011

I request withdrawal of my name from the WGNA Slate of Nominees for the 2012-13 Nominating Committee.

I am in complete concurrence with the Report of the current elected-Nominating Committee members, both the issues raised and the slate of nominees proposed. My decision to withdraw my name is prompted by the action at the April 25 meeting which dismisses the serious concerns raised in that Report and rejects the majority of the nominees—all previous presidents of WGNA—proposed by the elected members of the committee.
